Joel Bahl KQ0J suggested starting additional weekly nets. Perhaps Joel would host one. The Board approved having the KE4ZIP repeater available for the nets.

The Board talked about purchasing the updated ARRL Technician, General, and Extra License Manuals for club use. Anyone who has books or other material pertaining to amateur radio, that they are not using, can bring them to the club room.

NEW BUSINESS: It is Wish List Time. Everyone think about equipment needs for the club to be supported by the CA.
